During the first half of the twentieth century Japan's traditional art and aesthetics interacted with European life and culture, resulting in a pulsating era of Japanese modernism and the creation of Asian Art Deco Architecture.

Koomo's interior reflects Japan's rich history of natural materials, with timber and stone adorned with contemporary details that borrow from Japanese tradition without being overtly Japanese.

At Koomo our Japanese-and-Asian influenced menu takes inspiration from Executive Chef Patrick Chung's love of Japanese and Asian cooking and a childhood spent in Fiji, and the South Pacific country's mix of cultures, cuisines and fresh seafood.

This is our take on Asian and the influence of Japanese, Chinese and Western cuisines on our menu as Chef Patrick and his team take the best of South Australia's premium produce for a seasonal menu that is fresh, clean and simply delicious.
