During the first half of the twentieth century Japan's traditional art and aesthetics interacted with European life and culture, resulting in a pulsating era of Japanese modernism and the creation of Asian Art Deco Architecture.

Koomo's interior reflects Japan's rich history of natural materials, with timber and stone adorned with contemporary details that borrow from Japanese tradition without being overtly Japanese.

At Koomo our Asian Fusion menu takes inspiration from Executive Chef Patrick Chung's love of Japanese and Asian cooking and a childhood spent in Fiji, and the South Pacific country's mix of cultures, cuisines and fresh seafood.

Koomo's menu is heavily inspired by Japanese cuisine however, in the world of Asian cuisine, the canvas is large and we embrace this at Koomo. We present food that inspires, intrigues and comes from the heart. The team take the best of South Australia's premium produce for a seasonal menu that is fresh, clean and simply delicious.
